

# Georgia Job Tax Credits For Clayton County

Clayton

a tier 1 county

## Qualified Industries

1. Manufacturing
2. Warehousing
3. Distribution
4. Telecom
5. Broadcasting
6. Services for the disabled
7. Services for the elderly
8. Research & Development

If your business is in a qualified industry  
& creates 2 qualified new jobs:

## Your Business is Entitled to Job Tax Credits

- Receive up to \$4,000 per qualified new job per year for 5 years
- Reduce or eliminate state income taxes
- Use excess Job Tax Credits against payroll withholding taxes
- Carry forward unused Job Tax Credits for 10 years

For example, a business creates 50 new jobs in Clayton County,  
that business can receive up to \$4,000 per qualified employee.

$50 \text{ new jobs} \times \text{up to } \$4,000 = \text{up to } \$200,000$

If the business maintains these jobs,  
the business will receive the tax credit each year up to 5 years.

$(50 \text{ new jobs} \times \text{up to } \$4,000) \times 5 \text{ years jobs maintained} = \text{up to } \$1 \text{ Million}$
